### VIDEOGRAPHER

#### GENERAL INFORMATION

The videographer is provided a room at the show and he will need an assistant who is able to pronounce kennel names properly as well as the dog's names and who is familiar with what is happening at the show to comment. This provides the commentary on the sound track, but it is edited. The show chair &/or the site coordinator will have to make sure that he has someone like this with him throughout the **ENTIRE** show

He is Purebred Studios in Pebble Beach, Ca. We do not provide contact information for him in the Premium List or in the Catalog because all orders go through the website or the Ways & Means Committee

He videos everything at the show, including seminars, obedience, agility, rally, the parade, Top 20, etc. DVDs are available in various packages or for the whole show and the quality is very professional

DVDs Available

- ❖ Best of Breed
- ❖ Bitch Judging
- ❖ Dog Judging
- ❖ Top 20
- ❖ Performance
- ❖ Entire Show

The Sweepstakes Classes will be included on the Best of Breed DVD

Prices will be set by the Show Committee & the Ways & Means Committee

He provides the club with a master copy and will duplicate however many copies we need, but we are responsible for sales and shipping. Ways & Means will handle this. They can be preordered, ordered at the show, or ordered through the Akita Store later
